Below this is a 'PREFERENCES' section with a toggle for 'Haptic feedback'. A modal dialog titled 'Emergency contact' is open in the center. It contains a warning message about sending an SMS with location if the user doesn't tap 'I'm OK' within 10 minutes. Below the message are two input fields: 'NAME' with the value 'Mum' and 'PHONE NUMBER' with the value '+61412345678'. A hint below the phone number field says 'Include the country code, e.g. +61 412 345 678'. At the bottom of the modal are 'CANCEL' and 'SAVE' buttons. Below the modal is a 'Sign out' button.
